2. Unless otherwise specified in a particular paragraph, the time period covered by this request is four years prior to the filing of the Complaint in this action through the date of trial.

3. If any document requested was, but no longer is, in your possession or subject to your control, please state: (a) the date of its disposition; (b) the manner of its disposition (e.g., lost, destroyed, transferred to a third party); and (c) an explanation of the circumstances surrounding the disposition of the document.

4. All requests are also directed to all parent, related, affiliate and subsidiary companies of Defendant, to the greatest extent permissible under the discovery rules.

7. The term “identify” with respect to documents means to state: (1) the type of document (e.g., “letter to John Doe, cc: Richard Roe”), (2) its date or approximate date, (3) its author or authors, (4) its recipient or recipients, (5) its subject matter, and (6) its present location or custodian (or in lieu thereof attach a copy of the document). You need not provide a description as detailed as the foregoing if the document is produced in response to these Interrogatories and if such information is readily discernible from the document.

8. To identify a document that was, but is no longer, in your possession or subject to your control, or in existence, state whether it (1) is missing or lost, (2) has been destroyed, (3) has been transferred, voluntarily or involuntarily, to others, or (4) has been otherwise disposed of; and in each instance, explain the circumstances surrounding the authorization for such disposition and state the date or approximate date thereof.

13. To the extent that any document cannot be furnished, such documents as are available shall be supplied, together with a description of the documents not furnished and the reason for not furnishing them.
